

From Sunday the 6th of September to Sunday the 13th of September 2020

Dear SNAC Participants,
Dear SAA Members,

Please find here Bulletin #2 for SNAC 2020 in Bex LSGB.
You will find in it complementary information to Bulletin #1 which was sent in May.

Today, the SNAC 2020 is not yet officially authorized by the City of Bex and the Vaud county due to sanitary situation, but they are optimistic. The deadline for SAA is August 23, 2020 for GO or NO GO with the SNAC 2020.

On Saturday September 12, 2020 an "Open Doors Day" will be held at Bex Airport; all groups based there will present their activities to the public. The Swiss Air Force will perform a demonstration of the F/A-18 Solo Display right before the Swiss National Freestyle Championship 2020! The pilot, Nicolas Rossier, will join us for the Final Dinner.

Participants

There are now 21 pilots registered flying on 11 aircrafts.
Due to a lack of participants, **Advanced category will not be flown in 2020.**

You can still register on the SAA website or here: <https://www.saa.ch/snac-2020-registration/>
SNAC 2020 registration will definitively close on August 25, 2020. Just follow the instructions.
Please check the conditions for late registration and registration deadline.
Free/Free-Known has to be sent immediately with registration to Pascal Chavan:
